Reaffirmation of Appointment As IPOB Legal Representative.

Dear Barrister Ifeanyi Ejiofor

Conscious of your continued legal representation and efforts to ensure that all innocent Biafran youths illegally detained by the Nigerian government and its security agencies regain their freedom,

Having taken into account the fact that the current restructuring and institutionalisation of IPOB's leadership structure have rendered null and void your initial appointment letter of 2nd May 2017 and may as a result hinder your effective execution of your brief as IPOB's general counsel,

Considering that both offices of leader and deputy leader signatories to your initial appointment letter of 2nd May 2017 no longer exist in the IPOB leadership structure,

The Directorate of State of the Indigenous People of Biafra hereby reappoint you as the general Legal Representative of the global movement of the Indigenous People of Biafra (IPOB). This letter of appointment as IPOB's general legal counsel not only renews your brief as legal representative for the Indigenous People of Biafra, but also overrides and replaces the initial letter of appointment dated 2nd May 2017 taking the present leadership structure of IPOB into account.

Signed

Mazi Chikadibia Edoziem
Head of Directorate of State of the
Indigenous People of Biafra (IPOB)
